I'm

Kara

This is Odin

I'm an Art Director, Designer and Creative Producer based in Whitefish, MT.

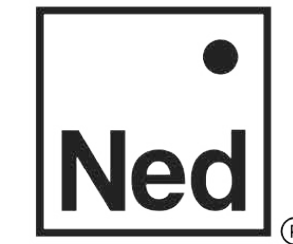

I started Hav Creative to offer creative solutions that celebrate simplicity and functionality. Exploring fresh perspectives, forging connections, and relishing the art of problem-solving are at the core of my creative process.

My happy place is in the mountains snowboarding or hiking with my hubby and our dog Odin.

"Jake, Shane and Mike were simply THE BEST! WOW. When I had over 40 people recommend Mac's on Facebook I now see WHY. Most caring, swift, careful, friendly, organized and packing conscious crew imaginable. Trustworthy. On time. Professional. Office staff was also on POINT and friendly! Seriously... I'll never ever hire anyone but this company to move!"
